Kalonga Big Bullets Under-12 Football Club were on Saturday declared the champions of the Zipatso Under-12 Football Bonanza after beating Nyasa United 2-1.

In an interesting match of the week in Salima, Nyasa United, through Sheme Husein were on lead five minutes into the game after connecting home a good pass from a 9 year old Davie Kabade.

Pilirani Kam'wamba leveled the scores in the 15th minute of the game when he scored a from a well taken free kick before Tiyamike George headed home a winning goal in the 19th minute, just a minute before the break.

There was nothing to write about in

the next 20 minutes of the game until in the 34th minute, when Chikhulupiro Kampeni was red-carded for shooting the ball while the whistle was blown for off-side against him.

The bonanza was sponsored by Martin Schaefer, a Lawyer from Switzerland who is building a school academy in Salima District and had Traditional Authority Kalonga, founder of Kalonga Big Bullets as the guest of honor.

For being the best team, Kalonga Big Bullets were given a trophy and medals plus a set of uniforms. Nyasa United got a set of uniforms and medals for becoming the second team while Tiyamike George and Gerald Bwanali were recognized by a jersey each for being the top goal scorer and best goal keeper respectively.
